

### **Our Mission . . .**

The Hyatt Regency Waikiki Beach Resort & Spa is dedicated to providing safe and comfortable accommodations and workspaces for our guest and associates, minimizing the environmental impact of our hotel, and caring for the environment and community in which we operate.

### **Goals Achieved so far . . .**

Installation of 1400 LED Down light Cans throughout the hotel  
Installation of 3500 LED Globe Deco Bulbs  
Installation of 15-minute timers on 70 guest floors for our Housekeepers closets  
Re-lamping of every guest room to 27 watt twist compact lamps  
Installation of 1,230 1 GPM Aerators in all Guest Rooms  
Implemented a full recycle program, which includes card board , wet food waste, aluminum, glass, medical waste, hazardous waste and E waste  
Installation of a new central plant which includes two 775 ton chillers, new cooling towers, all equipment with high efficient motors.

### **As a result of the goals achieved and other efforts we . . .**

Received 2008 Energy Star Rating for the Hotel  
Reduced electricity usage by 287,554 KW  
Reduced Gas Usage by 4,979 Therms  
Reduced water usage by 1,690 M-Gallons  
Reduced billable waste year to date by 132,740 tons  
Through recycling we saved:  
    140 tons of cardboard, saving 1,260 cubic years of landfill space  
    40 tons of glass, which saved 27,770 pounds of carbon dioxide going into the environment  
    450 tons of food waste each year

### **We will continue to work on . . .**

Communication, awareness and engagements  
Energy and Water Conservation and Management  
Waste and Emissions Management  
Purchasing/Product

### **Our Green Team Objective . . .**

- Facilitate environment education, awareness and engagement across all departments.
- Set goals that support Hyatt's environmental goals and manage to their success
- Establish a sense of shared responsibility, and shared opportunity, across departments within the hotel
- Provide associates with a platform to share ideas about how they can make a difference in their departments and in their own home
