Build and Buy Green 2014
14th Annual Conference & Kaka`ako Crowd Sourcing Event

Wednesday, May 7, 2014
Sullivan Conference Center @ the UH Cancer Center

with support from the U.S. Department of Housing and Urban Development

In 2014 DBEDT focused on energy and water conservation through its choice of venue, which led to the decision of hosting the event at the LEED Gold certified Sullivan Conference Center. Furthermore, a Bokashi Bucket was deployed during the event to promote composting and decrease the overall amount of waste that will find its way to the landfill.
