APPENDIX KAUAI-1

Shoreline Setback County of Kauai Department of Planning

Steps

Time

1. Complete and submit the "Shoreline Setback Application". Verify that all information requested in the Intake checklist is completed and included as well.
 (The shoreline setback application actually contains three processes. Applicability determination, Activity determination and setback determination. In the bill but a separate process is a shoreline setback variance. Council has just passed amendments to this law that will change the way applicability and activity determinations are handled. In some ways better and in some not. You may want to revisit this sheet with us in a short time.)

(The bill does contain timelines of 120 days to issue determination and subsequent acceptance by Commission.)

2. No specific timeline provided.
