Community Development

The mission of Hawaii Community Reinvestment Corporation (HCRC) is to facilitate community development and community development facilities by providing below market rate loans and offering innovative financial resources, consulting/technical assistance, and training.

Financing Programs include our GreenSun Hawaii program, which was created to reduce risks for participating Financial institutions and thus enable them to extend loan availability to a larger pool of customers and offer them the most aggressive loan terms and interest rates possible.

Another resource available to facilitate community development facilities is New Markets Tax Credits (NMTC), which provides gap funds in the form of equity.

For more detailed information on any of the community development products and services mentioned above, please click on the applicable links, call us at 808-532-3110 or email HCRC.
