**COMMENTS**

I am 68 yrs. old who lives in Lahaina for 17 years old. I am bothered about the wind mill project and the impact that we can benefit from it. Honestly, I don't want this project because it can destroy the archaeological cultural beauty of Lahaina. We have to respect the Hawaiian goddesses who first step in our Hawaiian islands. Also, I am concern that because this project requires 170 turbines that will create erosion because of the concrete foundations that will be structurally. I like our island the way it looks without any blockage of our scenes. Please hear me.

Respectfully,
Antoinia Sumalbag.
