I work for Four Seasons and at the school.
When I heard about the 200 mills to be build on Lanai, I was surprised that why choose Lanai, so small and nice. I like the life style here, real country. I am concern that fishes in the ocean will die, there'll be no hunting and cannot visit any more those parts of the island because it will be block from us. Here on Lanai, they said those places are important to the Hawaiian history. Please preserve Lanai as it is.
Too much and enormous change will be and I am concern. Thank you.
