I am an elderly person who came to Hawaii for 32 yrs. now. I love Lanai very much.

I would agree if our electric bill will be smaller because my income is now limited

But I am also worried about the future of Lanai. Please make sure that we will not be harm and also the fishes in the ocean.

People on Lanai love to hunt and I eat the deer meat also. I do not like these to stop.

I like to see Lanai as it is if possible because I love this place. Thank you.
