Hawai'i Interisland Renewable Energy Program: Wind

Comments must be postmarked by March 1, 2011.

Thank you for participating in the public meeting process for the Hawai'i Interisland Renewable Energy Program: Wind - Environmental Impact Statement. We invite you to use this form to provide your public comments for consideration as we prepare for the Draft Environmental Impact Statement (DEIS).

When providing your comments, please be as specific as possible. Also, please write clearly so we can read your comments. If you complete this form at today's meeting, you can drop it in the comment box provided. If you do not wish to complete your comments during this meeting, this form is designed so you can take it home, fill it out, and easily mail it in (see the other side for directions). Your input into this scoping process is needed and appreciated. If you wish to be notified of the availability of the Draft EIS, please check here [] and provide your name, mailing address and/or e-mail address below.

My concerns about the windmills is why do you want to put windmills on Lanai because the energy from the Lanai will go to Honolulu. Why don't you put windmills on Molokai. If you put windmills on Lanai it will cover 1/3 of Lanai. When you put windmills on Lanai we can't hunt or fish so please don't put windmills on Lanai.

P.S. If you put windmills on Lanai it will take away our energy and can't be able to apply jobs for our Lanai people.
