Thank you for participating in the public meeting process for the Hawai‘i Interisland Renewable Energy Program: Wind - Environmental Impact Statement. We invite you to use this form to provide your public comments for consideration as we prepare for the Draft Environmental Impact Statement (DEIS).

When providing your comments, please be as specific as possible. Also, please write clearly so we can read your comments. If you complete this form at today's meeting, you can drop it in the comment box provided. If you do not wish to complete your comments during this meeting, this form is designed so you can take it home, fill it out, and easily mail it in (see the other side for directions). Your input into this scoping process is needed and appreciated. If you wish to be notified of the availability of the Draft EIS, please check here [ ] and provide your name, mailing address and/or e-mail address below.

COMMENTS

Ilocano Speaker - translated by Jessie F. Myers

I love Lanai. When I heard about the windmill project, I am concerned. I worry about the impact that results of the pipe that will put in the ocean. Fishers will be affected and they may disappear or die. The windmill will ruin the land, the resources such as hunting and fishing. It will ruin the beauty of the place. Also, we do not have any benefits in it except a few jobs.

This is also a Hawaiian sight. I want to see Lanai preserve as it is.

Thank you for listening to me.
