**COMMENTS**

My name is Jazelyn, I'm 12. I was born on Oahu and moved to Lanai every since I was 5 years old. I do not want turbines on Lanai because it will affect how we live here and affect the environment. It will not be good for the environment because when the turbines move because of the wind all the wild life will get scared and run and and it's like you're taking their land. The community doesn't want to pay for something that won't benefit them.
