Hawai'i Interisland Renewable Energy Program: Wind

Comments must be postmarked by March 1, 2011.

Thank you for participating in the public meeting process for the Hawai'i Interisland Renewable Energy Program: Wind - Environmental Impact Statement. We invite you to use this form to provide your public comments for consideration as we prepare for the Draft Environmental Impact Statement (DEIS).

When providing your comments, please be as specific as possible. Also, please write clearly so we can read your comments. If you complete this form at today's meeting, you can drop it in the comment box provided. If you do not wish to complete your comments during this meeting, this form is designed so you can take it home, fill it out, and easily mail it in (see the other side for directions). Your input into this scoping process is needed and appreciated. If you wish to be notified of the availability of the Draft EIS, please check here [] and provide your name, mailing address and/or e-mail address below.

COMMENTS

I heard about windmill, In my opinion it destroyed our natural resources that we have in Lanai. ~~NO~~ Windmills. It effects all the fishes in the ocean, animals in wilderness. I also concern about the Hawaiian history / archeological culture that we suppose to respect & preserve therefore were not touching it.

Ways to provide written scoping comments:

1. Complete this form today and leave it and/or other written comments in the comment box provided.
