They shouldn't Build windmills on Moloka'i or Lana'i to provide Energy for O'ahu.... Since they already put a freeway though the mountain, why dont they just add windmills to it aswell.... It's not our problem....O'ahu should've Ku'e from the begging to not build. It wont provide jobs for Moloka'i and Lana'i Residents because we are not skilled in it, but we know how to do things. NO NO NO NO NO NO NO NO NO NO NO NO NO NO NO NO to WINDMILLS
