Hawai'i Interisland Renewable Energy Program: Wind

Comments must be postmarked by March 1, 2011.

Thank you for participating in the public meeting process for the Hawai'i Interisland Renewable Energy Program: Wind - Environmental Impact Statement. We invite you to use this form to provide your public comments for consideration as we prepare for the Draft Environmental Impact Statement (DEIS).

When providing your comments, please be as specific as possible. Also, please write clearly so we can read your comments. If you complete this form at today's meeting, you can drop it in the comment box provided. If you do not wish to complete your comments during this meeting, this form is designed so you can take it home, fill it out, and easily mail it in (see the other side for directions). Your input into this scoping process is needed and appreciated. If you wish to be notified of the availability of the Draft EIS, please check here [] and provide your name, mailing address and/or e-mail address below.

COMMENTS

I am concern about this island where I lived for more than 30 yrs. I raised my 3 kids here all graduated high School and left the island; but all of them love to come back and do all the things they usually do when they were young. We go to the beach for fishing and the boys go hunting with friends. They love Lanai!

Please be sure that the fishes will not be affected because of the connection that will be placed in the ocean. Windmill construction might create erution and deers will be scared and no ~~one~~ with other places to go hunting. I really do not like to see Lanai @hange!

I love to go fishing and love fishes. Please preserve Lanai as it is and think of other things to create energy. N.B.
