Hawai'i Interisland Renewable Energy Program: Wind

Comments must be postmarked by March 1, 2011.

Thank you for participating in the public meeting process for the Hawai'i Interisland Renewable Energy Program: Wind - Environmental Impact Statement. We invite you to use this form to provide your public comments for consideration as we prepare for the Draft Environmental Impact Statement (DEIS).

When providing your comments, please be as specific as possible. Also, please write clearly so we can read your comments. If you complete this form at today's meeting, you can drop it in the comment box provided. If you do not wish to complete your comments during this meeting, this form is designed so you can take it home, fill it out, and easily mail it in (see the other side for directions). Your input into this scoping process is needed and appreciated. If you wish to be notified of the availability of the Draft EIS, please check here [] and provide your name, mailing address and/or e-mail address below.

COMMENTS

Hello, I am a 15 year old and I think we shouldn't be having any windmills on Lanai City because it'll block the hunting, fishing, diving and camping ^{go} and locations where the Lanai residents love to do. We shouldn't have any windmills because it doesn't help our island, it helps the island of ~~the~~ Oahu. I think this is unfair because they will be building windmills on Lanai to help power the island of Oahu.

IF they do build windmills then the Lanai residents will be bored because they can't go hunting, fishing, diving and camping because the windmills will be blocking the roads to go to the beaches and other places, where the windmills will be blocking. I am also a 10th grader at Lanai High and Elementary School.
