Hawai'i Interisland Renewable Energy Program: Wind

Comments must be postmarked by March 1, 2011.

Thank you for participating in the public meeting process for the Hawai'i Interisland Renewable Energy Program: Wind - Environmental Impact Statement. We invite you to use this form to provide your public comments for consideration as we prepare for the Draft Environmental Impact Statement (DEIS).

When providing your comments, please be as specific as possible. Also, please write clearly so we can read your comments. If you complete this form at today's meeting, you can drop it in the comment box provided. If you do not wish to complete your comments during this meeting, this form is designed so you can take it home, fill it out, and easily mail it in (see the other side for directions). Your input into this scoping process is needed and appreciated. If you wish to be notified of the availability of the Draft EIS, please check here [] and provide your name, mailing address and/or e-mail address below.

COMMENTS

In the EIS please consider:

1. the impact of current turbine designs on the surrounding flora and fauna (including plovers) ongoing analysis of the developing turbine designs on the same
2. impact of drilling on the soil and on the island including seismic effect
3. impact on the flora & fauna of the trench & drilling of in which the cable will be laid
4. will an archeological study & preservation of the ~~findings~~ findings of the sites of the turbine pads be done?
5. when the turbine technology will no longer be used will the remaining pads have another use?
6. discuss the ~~comparative~~ comparative effectiveness of the small turbines used in Japan
7. discuss the hazards of nuclear
