

The Hawai'i State Energy Office presents:

The Clean Energy Wayfinders

WE'RE HIRING!

Deadline Extended to January 19, 2022

- Clean Energy, Equity, And Climate Justice
- Public Engagement, Education, Community Organization
- Associate Degree Or Related Experience

We're looking to hire the next generation of clean energy leaders in Hawai'i while addressing inequities in vulnerable communities.

Each Wayfinder will work to increase energy conservation & efficiency efforts and access to clean transportation & renewable energy resources in underserved areas, among other efforts to advance Hawai'i's clean energy goals.

Ready to develop your career, support your community, and tackle the climate crisis?
