Hawai'i Interisland Renewable Energy Program: Wind

Comments must be postmarked by March 1, 2011.

Thank you for participating in the public meeting process for the Hawai'i Interisland Renewable Energy Program: Wind - Environmental Impact Statement. We invite you to use this form to provide your public comments for consideration as we prepare for the Draft Environmental Impact Statement (DEIS).

When providing your comments, please be as specific as possible. Also, please write clearly so we can read your comments. If you complete this form at today's meeting, you can drop it in the comment box provided. If you do not wish to complete your comments during this meeting, this form is designed so you can take it home, fill it out, and easily mail it in (see the other side for directions). Your input into this scoping process is needed and appreciated. If you wish to be notified of the availability of the Draft EIS, please check here [] and provide your name, mailing address and/or e-mail address below.

COMMENTS

I am 68 yrs. old who lives in Lanai for 17 years old. I am bothered about the wind mill project and the impact that we can benefit from it. Honestly, I don't want this project because it can destroy the archeological / cultural beauty of Lanai. We have to respect the Hawaiian goddesses who first step in our Hawaiian islands. Also, I am concern that because this project requires 175 turbines that will create erosion because of the concrete foundations that will be structured. I like our island the way it looks without any blockage of our scenes. Please hear me.

Respectfully,
Antonia Sumalbag
