Hawai'i Interisland Renewable Energy Program: Wind

Comments must be postmarked by March 1, 2011.

Thank you for participating in the public meeting process for the Hawai'i Interisland Renewable Energy Program: Wind - Environmental Impact Statement. We invite you to use this form to provide your public comments for consideration as we prepare for the Draft Environmental Impact Statement (DEIS).

When providing your comments, please be as specific as possible. Also, please write clearly so we can read your comments. If you complete this form at today's meeting, you can drop it in the comment box provided. If you do not wish to complete your comments during this meeting, this form is designed so you can take it home, fill it out, and easily mail it in (see the other side for directions). Your input into this scoping process is needed and appreciated. If you wish to be notified of the availability of the Draft EIS, please check here [] and provide your name, mailing address and/or e-mail address below.

I love Lanai, when I heard about the Wind-
mill project, I am concern, I worry about the
impact that results of the pipe that will put
in the ocean- fishes will be affected and they
may disappear or die. The windmill will ruin
the land, the resources such as hunting and
fishing. It will ruin the beauty of the place.
Also, we do not have any benefits in it
except a few jobs.

This is also a Hawaiian sight. I want
to see Lanai preserve as it's.

Thank you for listening to me.
