COMMENTS

My comments on this Wind Project is very serious because it is taking away are land, fishing areas, hunting area, and many other concerning areas. We would also lose are jobs, suppliers, and homes so this is what I think about are future on Lanai. This is my concern on the project that will be put on us. These windmills are very big and are very huge and us people try to fight are rights to stop this and another thing is that they might use it for their project too with the railroad so this is not a good choice. Many people will lose their jobs and homes so that is a bad idea about it. Thank you very much. Mr. Merduck with use alot of money if you approve it and he is all ready old so very much.
