Hawai'i Interisland Renewable Energy Program: Wind

Comments must be postmarked by March 1, 2011.

Thank you for participating in the public meeting process for the Hawai'i Interisland Renewable Energy Program: Wind - Environmental Impact Statement. We invite you to use this form to provide your public comments for consideration as we prepare for the Draft Environmental Impact Statement (DEIS).

When providing your comments, please be as specific as possible. Also, please write clearly so we can read your comments. If you complete this form at today's meeting, you can drop it in the comment box provided. If you do not wish to complete your comments during this meeting, this form is designed so you can take it home, fill it out, and easily mail it in (see the other side for directions). Your input into this scoping process is needed and appreciated. If you wish to be notified of the availability of the Draft EIS, please check here [] and provide your name, mailing address and/or e-mail address below.

COMMENTS

Before going through the plan, I like to know the good and the bad of it because I am really concern what will happen to Lanai environment and social activities. Not only social but ways of living such as hunting, fishing, and sight seeing.

200 Windmill's are too much to envision. It will spoil Lanai scenery, and the city my children grew up here and still live 2 of my sons here. One has family and children who love Lanai. Please leave Lanai as it is. We like living on Lanai because it is quiet and peaceful. I lived on Lanai since 1969, and I love Lanai so much that I did not leave.
