Hawai'i Interisland Renewable Energy Program: Wind

Comments must be postmarked by March 1, 2011.

Thank you for participating in the public meeting process for the Hawai'i Interisland Renewable Energy Program: Wind - Environmental Impact Statement. We invite you to use this form to provide your public comments for consideration as we prepare for the Draft Environmental Impact Statement (DEIS).

When providing your comments, please be as specific as possible. Also, please write clearly so we can read your comments. If you complete this form at today's meeting, you can drop it in the comment box provided. If you do not wish to complete your comments during this meeting, this form is designed so you can take it home, fill it out, and easily mail it in (see the other side for directions). Your input into this scoping process is needed and appreciated. If you wish to be notified of the availability of the Draft EIS, please check here [X] and provide your name, mailing address and/or e-mail address below.

COMMENTS

- 1) What would the alternative of using the funds \$1 billion to develop other renewable options on Oahu.
- 2) Or how about a comparison/alternative comparing using the \$1 billion to reduce Oahu home and business energy use. Conservation 1st
- 3) How about a comparison of the risk of interisland cable vs: developing the renewable energy on Oahu and its infrastructure. Environmental Impact.
- 4) A comparison of doing nothing (business as usual) vs building 400mw of electric power.
