Mark Spain, District Director

Every day, the U.S. Small Business Administration and its nationwide network of partners help millions of potential and current small business owners start, grow, expand or recover.

Resources and programs targeting small businesses provide an advantage necessary to help small businesses effectively compete in the marketplace and strengthen the U.S. economy.

Simply put, the SBA empowers small businesses to succeed. SBA offers help in the following areas:

- Starting a Business
- Financing a Business
- Growing a Business
- Opportunities in Contracting
- Recovering from Disaster
- A Voice for Small Business in Government

Learn more about how the SBA can help your business transform by visiting [www.sba.gov/hi](http://www.sba.gov/hi).

All SBA programs and services are extended to the public on a nondiscriminatory basis.

# Energize Your Business

Clean energy and save money? I'm in!

The Hawaii Clean Energy Initiative renewed Hawaii's commitment to setting bold clean energy goals that include achieving the nation's first-ever 100% renewable portfolio standards (RPS) by 2045.

Join us as we bring together organizations to provide you with relevant information to lower your energy consumption and save you money.

Hear firsthand, how the SBA's 2017 National Small Business Person of the Year, Garrett Marerro, utilized clean energy programs to save thousands of dollars at the Maui Brewing in Kihei, Maui.
